

Midwest Regional
CHILDREN'S ADVOCACY CENTER

Empowering you to better serve victims of child abuse

The Midwest Regional CAC is committed to promoting and supporting widespread, consistent implementation of evidence-based practices and a multidisciplinary approach to child abuse investigation, assessment, intervention and prosecution, ensuring effective outcomes for child abuse victims and their families.

We build capacity by elevating the expertise of child abuse professionals and improving the sustainability of Multidisciplinary Teams, Children's Advocacy Centers, and Chapters through programs that are:

Comprehensive

Specialize in discipline-specific topics or cross-train. Learn the basics or dig deep into advanced material.

Meaningful

Connect with relevant content and helpful colleagues to sustain your development and improve your practice.

Accessible

Engage through free or low-cost learning experiences made available in person or online.

Although our home is in the Midwest, our work crosses the nation.

We specifically serve in the Midwest Region - covering Kansas, Indiana, Illinois, Iowa, South Dakota, North Dakota, Michigan, Minnesota, Missouri, Nebraska, Ohio, and Wisconsin - but we are honored to provide **all** CAC professionals with the programs and benefits found below.

BUILD A STRONG FOUNDATION

Turn to us for a range of online, in-person, and blended learning opportunities to develop the skills of your entire team, including CAC directors, forensic interviewers, and team facilitators.
